**CATARRHAL DEAFNESS
AND HEAD NOISES**

Tells Safe and Simple Way to
Treat and Relieve
at Home.

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parmitin (Double Strength). Take this home and add to it 1-4 pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucus dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent. of all ear troubles are caused by catarrh and there must, therefore, be many people whose hearing may be restored by this simple, harmless home treatment. Lookouts Prime for Pirate Invasion--Dope**NUMEROUS MAJOR STARS
APPEAR IN NEW LIVERY**

MANY PLAYERS SHIFT AL-
LEGIANOE.

Yankees Boast Lewis, Shore
and Leonard, of 1918
Red Sox.

Twenty-five major league players who have already stood the acid test in the big show are working out in southern training camps today, preparatory to blooming forth in new livery when the pennant races begin. Trades and sales among the David Harbors of the big leagues during the winter and spring have been responsible for the shifting about of a number of stars and near-stars, and the efforts of these players to do justice to their new uniforms will create unusual interest.

Eleven of the sixteen major league clubs will start the coming campaign with players in their uniforms who wore the livery of rival teams last year, or were on the reserve lists while in the service.

The Yankees will introduce Duffy Lewis, Ernie Shore and Huber Leonard—if Leonard signs—having secured all three from the Red Sox. Hal Chase, prince of first basemen, will make his initial bow in a Giant uniform, after casting off the "foul" of the Reds.

Douglas Baird and Gene Packard from the Cardinals, will appear in the lineup of the Phillies, while Milton Stock, "Pookie" Dillinger and "Ditsie" Davis will wear St. Louis National uniforms instead of the Philly attire.

"Lena" Blackburn, from the Reds, will be with the Braves, Bill Barnden and Slim Sales, from the Giants; Jake Daubert, from the Dodgers, and Walter Reh, from the Braves, will play with Cincinnati. Tommy Griffith and Larry Kopf, 1918 regulars, with the Reds, now belong to the Dodgers.

The world's champion Red Sox have Ray Caldwell and Al Walters, erstwhile Yankees; Oscar Vitt, long star of the Tigers, and Pitcher Dumont, late of Washington, on their 1919 roster.

Harold Janvrin's name will appear in the Washington lineup instead of that of the Red Sox, while Eddie Ahlsmith, veteran battery mate of Walter Johnson, and Chick Shorten, from the Red Sox, will fight with the Detroit Tigers. Detroit also owns the title to Slim Love, who came from the Yankees via Boston, only to have his arm broken in spring training.

Leslie Nunamaker, late of the Browns, and "Josh" Billings, of sixth city fame, have traded places.

FIGHT OFFER FAKED

Great Falls, Mont., April 4.—It developed today that the offer of \$20,000 for the Willard-Dempsey fight made in a telegram to New York yesterday was signed "Great Falls Athletic association," and that it was sent to a local telegraph office by a stranger. As there is no such organization in the city, local sport followers regard the matter as a joke.

PIRATES BOAST STARS

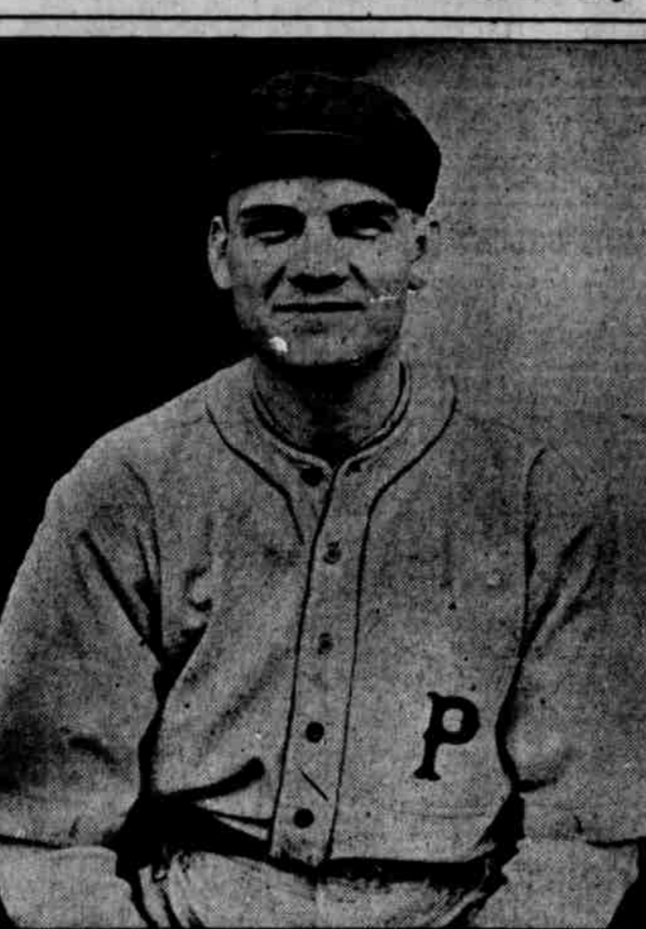

While the Pittsburgh Pirates, who appear here in the Lookouts on Saturday, did not win the National league pennant last season they surely did give the leaders a scare and in doing so managed to cop off three or four league records. Southworth annexed the batting championship; the team stole more bases than any other team in major league ball and also led the National in sacrifice hits.

While Capt. "Scoops" Carey again carried away the base stealing honors not only of the National but also of the American league. So the Pirates are "some punkins" at that.

Carey is playing his ninth year in a Pirate uniform and in most of those years he has led the National league in base stealing and several times led both leagues.

It is getting to be a chronic habit with Scoops to run away with the piffing honors and when the Pirates appear here tomorrow fans will see in Carey one of the best all-around players that ever trod the diamond in the light of what Carey has done there is no denying this fact. Not the slightest batsman of his team, still he is one of the Pirates' biggest assets in playing talent. Speed, aggressiveness and brains—these are Carey's stock in trade and he keeps all three of them working overtime in the interests of his team and in appeasing his anxiety to win.

There is no more dangerous man in the National league than Carey once

LOST TO HARVARD

Maj. Percy Haughton Will Enter Banking Service.

Cambridge, Mass., April 4.—Maj. Percy Haughton, originator of the nationally famous coaching system at Harvard university, is lost to Harvard football.

Upon his retirement from the chemical warfare branch of the army, Haughton was expected to return here to coach the Harvard eleven. In a statement, made public today, however, Haughton says:

"Owing to the many erroneous rumors and statements concerning my connection with Harvard football, I deem it only fair to the situation to state emphatically that it will be impossible for me to remain identified with football in my official capacity."

"I have become associated with the banking firm of White, Weld and company, and intend to devote my entire time and attention to the banking business."

"After nine years of consecutive coaching at Harvard it is perhaps unnecessary for me to express my heartfelt wish for the future success of football and particularly Harvard teams."

NEW RECORD SET UP

Ross, formerly of the Olympic club, San Francisco, but now swimming attached, made the distance with a trudgeon crawl stroke in 10:55 2-5. In this performance the Californian is also said to have lowered seven intermediate records. The former half mile record was 11:14 1-5.

RUBE MARSHALL REPORTS
TO CLUB.

Indications Are Graham Will
Not Be Member
of Club.

The Lookouts were to get their final priming this afternoon for their big battle with the Pittsburgh Pirates Saturday, in a contest with the fast Forty-sixth infantry outfit. The soldiers are reported to have a strong array which is in fine fettle and a fast contest is expected. The fans are invited to turn out and watch the frolic.

The Lookouts were forced to show real form yesterday afternoon to ring up a 10 to 5 victory over the Evans Exporters. The Exporters put into the battle an outfit that would like a pennant contender in the Sally league and disposed themselves in approved major league style. Among the well known local stars in their lineup were "Rusty" Cornelius, Ty Smith, Nunn, Snyder and Thompson. Lohman, Marshall and Dewitt worked for the Lookouts and were touched rather lively as they did not, of course, attempt to put any great amount of "stuff" on the ball. Cornelius and wheelwork worked for the Exporters. The lineup follows:

Exporters:	Lookouts:
Clark, Bacon, rf.	Lohman, Marshall, c.
Cornelius, p.	Dewitt, p.
Wheelock, p.	Higgins, 1b.
Nunn, c.	Devereux, 1b.

The appearance of Rube Marshall upon the mound at Andrews field yesterday afternoon completely exploded the various rumors which have been in circulation for the past several days. To the effect that the speed merchant (speed on the ball and not on the baselines is referred to) would not be a member of the 1919 Lookout staff. Marshall formally reported to Manager Nicklin yesterday morning and got into action pronto. If the deal with Little Rock for Coveleskie's services goes through, and every indication is that it will eventually, Nicklin's pitching problem for 1919 now seems about solved.

Dawson Graham is not yet a Lookout. It was learned today and there is little assurance that he will be a member of the local club for the 1919 campaign. "Daws" and Manager Nicklin have never reached an agreement so far as his playing with Chattanooga is concerned and it is most likely that he will be traded before many moons are passed.

Manager Nicklin will not make his trip to the Detroit Tiger camp until next week. The Tigers play the Braves at Camp Gordon Sunday but the local pilot does not care to witness this contest as it is not very likely that any of the athletes will

The Detroit Tigers suffered a shut-out 5 to 0 at the hands of the Braves at Columbus yesterday afternoon. Rudolph and Fillingim worked for the National leaguers and both were in good form allowing between them but six bingles. Cunningham and Ehmke were touched for eight hits at crucial moments.

**GORDON
TIRES**
1-Certified
2-Guaranteed
3-Registered

Let us explain what those three words mean to you and to us.

We don't make ten or twenty thousand tires a day. It wouldn't be possible to make that many by our method.

We make one tire at a time. Every process of every tire is certified by the man responsible for that process. If a Gordon Tire should go wrong, we could tell which employee caused the trouble and why.

As a result, Gordon Tires very rarely go wrong because they are made right.

Knowing each tire in this way, it is with complete confidence guaranteed for at least 5000 miles (6000 miles on the smaller sizes). Less than 1% of Gordon Tires are ever offered for adjustments.

But this 5000-mile guarantee by no means represents our full confidence in Gordon Tires.

We endeavor to keep track of every Gordon Tire after it has made good its guarantee as well as before. We don't rate a man as a Gordon customer until he has forgotten all about our guarantee.

That's why we want to register every Gordon Tire we sell.

If you care to have us do so, your transaction with us will be registered—the number of the tire, date of purchase, make of car, etc.—and we will keep track of it during its life.

By this means, we are able to keep a complete record of each tire from the beginning of its manufacture until it is worn out.

Each purchase of a Gordon Tire is really a purchase of mileage—a purchase that is
